## Business and Professional Work experience

- 2009-2011 Assistant in the facilities department WORLD COMPANY, Paris**
- 2010-2011: HR and organization support team assistant  
I took part in setting up a HR support activity for the head manager. We designed HR processes such as training, annual review and compensation & benefits by adapting the HR policies of the headquarters with the facilities department.
  - 2009-2010: facilities department reorganization project  
I was a member of the team responsible for the transformation of the department. I was in charge of finding and analyzing the social issues by managing a helpline for the employees.
- 2006-2008 Project Assistant WORLD COMPANY, Paris**
- In the Purchasing Department, I was responsible for collecting and operating data and information in order to evaluate the supplier's cost of electrical equipment such as cables and transformers. I realized a study on the prices index to improve the calculation of raw material price variation in the electrical equipment agreements.
